

Wye Community Farm Lamb Box

We rear Poll Dorset and Portland sheep, two traditional breeds renowned for the flavour of their meat. Our flocks spend much of the year on the Wye National Nature Reserve, where their grazing plays an important role in maintaining the chalk grassland that is home to a wide range of endangered species. When the time comes we use a local family run abattoir, ensuring the highest standards of animal welfare.

Each box contains half a lamb, butchered to your requirements, priced at £60. To place your order please fill in and return the form below.

Wye Community Farm, 22 Church Street, Wye TN25 5BJ
